“ *Mr. and Mrs. Taylor, Allison and Lance,*

From reading the notes left by Ross' family and friends, his 33 years were impactful. I can think of no greater legacy than the legacy of simple kindness. Ross had the rare ability to make others feel good about themselves. When I would occasionally see Ross, there was never a time when he did not smile and speak to me as though we were close friends. We should all desire the testimony of kindness. While you are heartbroken, I hope you are also proud of Ross' legacy of kindness for those he encountered. May God grant you peace, fond memories, and the anticipation of seeing your son and brother again in God's Heaven. Amen.

I was so very sad to hear of this tragic loss to your family! I have put sweet Savannah in her Daddy's truck many times during car duty at her school, and he was a friendly man who adored his little girl! I am lifting your whole family up in prayer during this most difficult time!
