“ Fred was a warm kind loving person. He was a great husband, father and the best brother. One of my memories of Fred was when my family would travel to New Hampshire for our annual apple picking with Fred, Mary and all our children. It was an opportunity that I looked forward to so much; it brought all of us so much joy and happiness to share the indulgence of hot apple cider donuts and cider too and of course we picked way too many apples . Later that weekend we would gather as a family for a fall feast at Fred and Marys. Which was always scrumptious! They're such fond lasting memories that I will always hold close to my heart. Much love light and prayers for Mary, Jen, Stacy, Tom and all his grandchildren ❤️🙏
