“ *I'll never forget all of the trips to Greenwood and going to visit Aunt Bette. Just being able to sit with her, talk with her, show her pictures of my husband/dogs/home and so many other things she was never able to see in person, watching golf games and laughing about stories of the rummy game the night before are all very cherished memories I will always hold dear. We love you so much Uncle Larry and are praying for you and the rest of the family in your time of such a great loss. Until heaven Aunt Bette!! Please give MawMaw (Catherine) Patterson and Granny (Kathy McCulley) a hug and kiss from me!!! I know there's a big sweet reunion going on up there right now.*
