

Greta Blevins Lee

June 4, 1933 - October 26, 2025

Moore, SC — Greta Blevins Lee passed away peacefully on October 26, 2025. She was the daughter of the late Wick and Ethel Early Blevins and the devoted wife of 67 years to the late Cecil “Papa Lee (Pops)” Lee.

Greta was a proud and dedicated employee of Southern Bell Telephone Company, where she worked for 37 years. A true coal miner’s daughter — a real Loretta Lynn at heart — she carried with her the resilience and down-to-earth spirit that defined her upbringing.

In addition to her career, she spent many happy years working the window at Peaches Skating Rink, where she was lovingly known as Momma Lee and greeted friends and families with her warm smile and kind spirit. She found joy in the simple pleasures of life—tending to her yard, caring for her beloved cat, Oreo, and spending cherished time with her family.

Greta was a loyal Byrnes High School supporter who rarely missed a football game. She especially loved the Byrnes Regiment Band and was a proud fixture in the stands, cheering on her grandson as he performed. Her connection to the Byrnes Band stretched through generations, with both her daughter and grandson sharing in that special tradition. She also loved baseball and she found a sense of family among the friends and staff at her favorite Waffle House, where she was known and loved by all.

Greta especially adored her grandson, Tyler, and her first great-grandson, Braylon, who brought her endless pride and happiness. Greta will be remembered for her gentle heart, her love of family, and the kindness she

shared with everyone she met.

She is survived by her daughter, Kathy Hames; her grandson, Tyler Hames (Heather); her great-grandson, Braylon Hames; her niece, Princess Garland; her best friend of 56 years, Faye Worley; and a special friend she loved and adored, Dana (Beck), and her friend, Joyce Abbott, to whom she always said "I love you, Joyce!". Greta is preceded in death by 10 brothers and sisters.
