“ Dennis was a true mentor to me. When I worked for Hunterlab I was going through a bad divorce and was down and out financially. Dennis gave me an opportunity for a sales position which I will always be grateful for. I have been successful ever since.....Thank You Dennis.

Yvette - my thoughts and prayers are with you. I lost my wife in Feb this year to lung cancer...she was only 54....I know how hard it is.....keep the faith, only time will heal.

My wife Loretta was so awesome, and so was Dennis.....I know for sure they are both in Heaven with God.

Take Care and Be Well,

“ Dennis was a true salesman. We worked together for years in the color industry and I don't know of a more professional, pure salesman. We spent many days traveling and making sales visit and always had a great time sharing stories and planning sales strategies. He spoke often of how proud he was of his children and I know he was a great father to them. He was a one of a kind gentleman.

“ Yvette and family, please accept my deepest condolences for your loss. I knew Dennis the last few years of his life but he always had a smile on his face and a positive word to share. Wish there were more like him, a real gentleman. May he rest in peace.

*“ I'm so fortunate to have known Dennis. He was one of the most warm and welcoming men I have ever met. A true southern gentleman, as well as the life of the party! Andy and I always enjoyed our visits to Yvette and Dennis' home in SC; he was a wonderful host providing delicious BBQ, golf tips, stories, and always tons of laughs. He will be truly missed.*
