“ Please accept my condolences. My own memories of her are few, I was a little fellow when we attended church with the Kings at Pleasant Grove. Many year later Hazel and Harold attended the visitation for one of my grandparents in Inman. My mother was so excited to see them that was about she talked about. My father had gone into the ministry and mom said had learned from Hazel King how a pastors wife should be and explained the positive influence Hazel and Harold had on my family. Many thanks to the King family.
