“ *Heather was a light. She was my coworker at SMC. In the short time we worked together it was apparent to me that she was a beautiful spirit. Kind, always willing to help, and always with that big smile on her face. Her passing has been deeply felt by all of us in our department and she will be deeply missed. My condolences to the family, I pray for your healing at this difficult time.*

“ I have no words, Heather! I am heart broken! I worked with Heather at Red Lobster for probably 5-6 years. She was my relief behind the bar on most days! AND SHE WAS ALWAYS LATE! BUT always smiling or laughing and ALWAYS had a reason for being late! She was also one of my WORST enemies during college football season! GO TIGERS! She made a couple of trips to Easley to hang out with me and my daughter and even though I haven't seen her lately, we spoke a good bit on social media. I will miss you forever and I will always treasure the memories that we made! Love you!

“ Wanda, Casey, and Family,

There was never a time when Ken and I saw Heather that she was not smiling from ear-to-ear...such a beautiful smile with eyes that danced with happiness and a personality larger than life!

No words can describe how sorry I am for your loss or even comprehend the many emotions you must be experiencing. I have been praying for God to give you the comfort and peace for which you need at this time.

God bless.

“ *There isn't enough space on this page for all of our memories together! Some bad, most good, but ALWAYS remembered! You are my "sissy" and I will NEVER let you be forgotten; Camree will know what a beautiful, outgoing, funny, talented person you were; SHE WILL ALWAYS REMEMBER HER AUNT HEATHER! I will NEVER understand and still don't comprehend all of this! What I do know is that though you may be with MiMi and PaPa, I will see you again! Until then sissy, I love you more than you ever knew! I PROMISE that I will take care of Mama; that I SWEAR! we share a bond that no space, no heaven or earth could break... you are my sister and I will love you, always and forever! Until then, our memories I will cherish; your name never forgotten!*
