“ Jennifer, although we never got to meet your Jack, we always knew that you were happy because of the big smile in all your pictures and because we have loved you since you were a little girl, that made us happy too.

Now, we are sad that you lost the love of your life, but we pray that in the days ahead that the good memory's will bring that smile back. I know that you are just so thankful to have had Jack in your life as long as you did and I am happy that you have a strong faith to comfort you now. I always thought of Psalms 29:11 when I was going through a rough time in my life - "He will give His people comfort. He will bless them with peace" - May peace and comfort be with you at this time as you go on with your life with the memory's of your life together helping you each day. We love you and your family, Barbara and Don Smith, Salem, Ohio

“ Dear Jennifer: Read in today's newspaper of Jack's death. Much too young. My sympathies to you. Came across this statement by an unknown author that may help. "Grief never ends, But it changes. It's a passage, not a place to stay. Grief is not a sign of weakness, nor a lack of faith. It is the price of love." God bless you little girl.
