“ Hey momma, as you know today is mothers day. I miss you more than you know. There's not a day that goes by that I do not think of you. Today was a hard one for me. I try to be strong but sometimes I can't be. Daddy and Nick are doing good. We are all doing what we can to make it. I started a new job a few weeks back and I'm going to have to go away for a little while this summer so you will have to watch over them while I'm gone. I know you're with us all every day. Well, It's time for me to go to bed now. Happy Mothers Day. I love you.##imported-begin##Ronnie##imported-end##
