“ Dear Pearson family, my heart hurts so for all of you. Jackie was a light that burned out far too soon. I have such wonderful memories of our working at the Hill together. I don't ever remember a day that she wasn't laughing and full of joy.

Suzanne, there is one story about you that has always stayed in my memory. During a planning period that we shared, she told us that she always put your clothes in the dryer and warmed them so you didn't have to put on cold clothes. We all laughed, but looking back on that little tidbit, it was such a show of love for you.

*There are no words to express my feelings of sorrow for you; but please know that you are in my thoughts as you go forward; and pass this along to Jackie's dearest friends who loved her. Blessings

Jackie became my next door neighbor when she was born. I was 2 years old. I loved Jackie and her sisters all my life. She was a sweet kid and grew up to be a even sweeter adult. Our families both move from New Orleans to different places but each summer my Dad would drive us to their peach farm . My best memories of my whole life are visiting with the Oalmann's Some summers I would go alone and I loved being with them every minute. They even took me on a cross country trip in a police car. So much fun !! My heart is broken to have lost such a precious lifetime friend but it heals a little ever time I think of her in the arms of our Lord and her very special Mom (Aunt Ruthie) and Dad (Uncle Louis). Love you little sister. You will always be in my heart. ❤️ Karen
