“ Aunt Lorraine and Uncle Jimmy were always the life of a party. I always looked forward to family reunions when they would be there or when they were visiting with my Grandparents (Nora and Gilbert Sansbury). I miss them both. I received a card when my Grandma passed away that touched me and I always like to pass the sentiment along. "Though the voice is quiet the spirit still echoes." May their spirit be with your families during this time.

I wish I could be there in person to remember and celebrate Uncle Jimmy's life. I will be thinking of all of you.

Love,

Tammy (Morton) Nation along with my husband Justin and our kids Cadence and Alianna.
