“ West palm South Florida is were I'm from I was visiting South Carolina to get clean, and did very much so. Until I received a call my husband was in ICU. AND I had to drive back to Florida to say my goodbyes. When I returned James allowed me to stay with him for a couple weeks to figure out what my next move was gonna be. He was an extremely thoughtful Man and I was extremely happy to hear that he found his Bride and had lil Baby Boy. This News of him Passing was tuff and my thoughts And prayers go out to his wife and family. REST EASY J.B
