“ Joanie, Chris and Danny, sorry I couldn't get to Jimmy's service. I've given up going to funerals after Jesse's and Workman's, but my heart was there. Some of my fondest memories are the ones Jimmy and I had rehashing our experiences many years ago. He was my link to some of my earliest rememberances. I will miss that, and I will miss him, but I will always have the thought of Jimmy. 😞
