“ We were saddened to read of Buddy's passing. We, like so many others, came to know Buddy and Mary by stopping by their produce stand. We spent many a visit talking and laughing and solving the world's problems. Mary and family, we are so sorry for your loss. We loved Buddy and he will surely be missed.

“ Buddy was a wonderful Uncle. I enjoyed the times I would get to sit with him at the produce stand and listen to his wonderful stories of the family and days long ago. He will be missed very much. I loved him greatly.
