“ *The memories we all must have with Jamie are now, more than ever, cherished. I was blessed to have this man as a dear friend for many years. Jamie had a beautiful soul! He had a huge heart! To know Jamie was to love Jamie! He had an infectious sense of humor. Always kept you laughing. Each time we talked he always talked about Sabrie and Shane. He longed so much for them to know how much he truly loved them. He was proud of his children. I not only have memories to cherish of him, but his son Shane is my nephew. Shane is so much like his daddy in so many ways. Looks like him, talks like him, and loves to joke around like him. My thoughts and prayers are with each one of you. Especially his children. May God bless each of you in your coming days with comfort and healing.*
