*To all of the family , I know this is a very hard to handle. It will be easier over the years to come. But something will always remind you of him. And you will always have memories of him. Something you can laugh at and even cry over. That's a good thing. He will always be in your hearts. If anyone of you need anything just call. Love you all. Kelly and clay. We will be praying for all of you!!*
