“ We've shared many times talking about what Heaven was going to be like when I'd visit Jane and Janice and Angie. We'd talk about the Hallelujah times we will share when that great Homecoming happens. Well cousin Janice made it before I did, I'm kinda jealous because this old cruel world that we are living in just not like it used to be. Praying for the family and Brothers she still has living. It's hard to believe that we all used to get fussed at running up and down those steps at their homestead. But Heaven bound and knowing you are walking with so many without pain or sorrow. Amen and Amen
