“ Jeff came into my life and touched my heart over 40 years ago. For that I am blessed and thankful. He always had a special place in my heart and always will. I will treasure the memories forever. ” Death leaves a heartache no one can heal, Love leaves a memory no one can steal.”

“ Nic, I am so sorry for the loss of your dad. When I think back on my memories of Jeff, I can see him laughing at Sanford and Son, The Andy Griffith show (his faves) and Alf (my fave show in the 80's ha). I remember us all going out to eat with you in your Batman outfits, your dad would crack up every time you would pretend to be a superhero. I remember how much he loved you little brother and he will always be with you. He will live in your memories and like you said, he is playing drums in heaven right now smiling down. Love you Nic! I will keep you and the Rogers family in my thoughts and prayers!

“ *Cathie, Nick and Luna,
Mike and I are so sorry to hear of Jeff's passing. You are all in our thoughts and prayers and if we can do anything - anything - please reach out. I know your pain quite well. As I think back I remember one very wise person telling me "some people just don't know how to live life". Jeff did struggle but I choose to remember Jeff from younger days, as the friendly and kind person he was, always, ready to lend a helping hand to family, friends, and even strangers! Nick, you have the same gentle kind spirit and I know your dad was very proud of you! Hugs and much love to all. Cheryl*
