“*Jerriel was such a presence in Duncan for so very many years. It was always a joy to go into the “drug store” during my high school years. Jerriel had a display case filled with the latest albums. I bought my college roommate the White Album by the Beatles from Jerriel. He was always happy to see his customers and quick to make sure he acknowledged them. Jerriel was a true Southern gentleman. He will be missed, but he left many of us with memories that will last a lifetime. God bless his family!*”
