“ I have no words for what I feel just now. My heart is broken into a million pieces. Even knowing it is coming you are never ready. Bubba, I hate you had to go. I know your body was so tired of fighting. You are no longer in pain. You are breathing heavens air now and no longer tied to an oxygen tank. I wish I could've been there with you to hold your hand and tell you how much you mean to me just one more time. I hate that I won't hear you tell me you love me big big time. I hate knowing you wouldn't want me to cry cause I can't stop just now, just like I will never stop missing you. I love you bubba Jerry Burnettbig big time....fly high big brother, till we met again on the other side. It's not goodbye it's I'll see you next time. 💕💕
