“*Today we pause to think about a special man who touched our hearts in many ways. Jerry Wayne was more than an uncle, he showed by example how best to live life. Always caring and supportive, always there when needed to offer help however he could. He always brought a smile to both of us no matter what we were going thru at the time. He fought a good fight for a long time and now can rest at peace knowing his was a life well lived. May the lighting of this candle be a reminder of the memories we have, and of the everlasting impact you had on our lives.*

*Love,
Barry and Debra*
