“ You were my dad,I never got to know you or my sisters or brothers or anyone from your side of the family,you made it very clear you didn't want anything to do with me.but that doesn't change the fact that we couldn't have atleast met up and got to meet the man who helped give me life,no,ya didn't raise me,or even had any type of relationship with me.but it still doesn't change the fact you was my dad and I would have loved to had fixed that,meet my sisters and brothers and neices and nephews.i have always wanted to ask you,why? What did I do so bad that you didn't want a part of my life?? Why did you distance yourself so hard away from me? That has hurt me for a LONG time now but it don't change the fact that your my dad.im sorry about you passing away.im not sad your gone,I'm sad that I didn't get a chance to sit down with you and talk and get to know you and my other family members!!!!!!
