“ *Darlene, just found out today about Jimmy. May God keep you and your family in the palm of his hand. I'm sorry for your loss, but I'm also sure Jimmy is safe and secure in his Heavenly Home. You were always a wonderful example of a Christian lady and I enjoyed working with you for all those years in the Chem Lab at Mitsubishi. May God continue to Bless your family. J.R.*

“ *Darlene my heart goes out to you and your family at this time. Jimmy had a wonderful smile and he was a real presence in a room. Or rather should I say "A commanding presence". Jimmy got my attention when he held the safety meeting at church to make us understand real dangers. He was detailed and kind of scary but that was only because he wanted all of us to be aware and be safe. Yes I got it and then came to know he was just a softy who really cared. After that meeting I did make some life changes that he suggested. Thank you Jimmy RIP. Love, Mary Belcher*

“ I wish our friendship had been longer but it wasn't in the cards. It was Gods house that brought us together and we shared good times talking and it was always easy to be around you and Darlene. I will miss time with you but I know only for awhile as we will be friends and family forever in heaven.

“ *Darlene I am so sorry. Jimmy was a wonderful southern gentleman, a sweet and kind friend, and the sweetest Christian I know. He will be missed by so many. I will miss his sweet smile, his humor, and those precious hugs! I was blessed to be loved by both of you. He has now seen the Beautiful Face of Jesus and is free of pain and sickness. I love you Darlene, loved Jimmy and I am praying for you and the family and friends. RIP Jimmy, RIP!!* 🙏❤️
