“ I am so sorry to hear of Jerry's passing. My prayers are with Linda and the rest of the family. Jerry and I were friends since we were both kids. His father and my dad were the best of friends, they were both Baptist pastors and were dear friends. We shared a lot of times together back then and in the last several years have shared times together at Lyman First Baptist. He and Lynda owed a rental near us and I would see him and Linda there together working on it. He will be missed greatly and will leave a lot of good memories.
