“ John and Elizabeth, so many of us continue to remember your legacy of love, faith, service, and compassion; your joy in parenting Sarah and Matthew; and the fun and laughter you brought to so many of us. May our Heavenly Father continue to bless Sarah, Matthew, their spouses, and your grandchildren.

Even as you've been reunited with loved ones in Eternity, there's been no one on this Earthly Plain that could take your place during these ten years. You're both loved, and missed.

“ I was there when the picture was taken at the hospital when Tristen was born. John was incredibly happy to see his grandson and daughter. He was an extremely kind and loving man and loved my daughter, Julia, like his own. Great man!

“ John was a wonderful man, a loving family man, husband, father, and grandfather. I can't post a memory because there are too many... But i can say that this man has been there through thick and thin for my family, and I will always be grateful. John you rest easy in Heaven with your wife, your work here is done. I love you. Prayers to all his family, but especially my Sarah💜.
