“ *Johnnie was my 1st cousin and I feel so bad about his death. Johnnie was so young to leave us so early. His laugh and his sense of humor will be missed. I am so glad that he had Diane and all of his good friends. I am also so happy that Johnnie enjoyed Bible Study and his church. Johnnie joins the rest of our family in heaven and we will all see him again one day. Our love and prayers goes out to Diane and to all of his friends.*

“ *Johnny was the kindest man I have known in a long time. Always quick to lend a helping hand or to offer advice. He was funny and loud, but he never meant any harm. He lives up the street from me . I will never forget this last snow. he was going to the mailbox in Sandles , that crazy hat that I absolutely loved. and that grin. you are missed my friend. We will meet again someday. “ I met John almost a year ago. He was the type of guy that would do anything for anybody. I'm so sorry for the loss that his wife and family are going through. I'm going to truly miss my friend. I'm going to miss being able to talk to him and listen to his advice. Rip my friend

“ Johnnie was one of my oldest and dearest friends. We grew up together and remained friends for over 40 years. Johnnie was my "other brother" and I am heartbroken over his passing. My deepest and most heartfelt condolences for Diane, Johnnie's wife, and for the entire family and all of his many, many friends. To know Johnnie was to love him.

He had such a big heart and was one of the kindest souls I ever had the pleasure of knowing. This world became a little darker when you departed from it my brother. I will miss you until we meet again. Love, Sharon (or as you tagged me many years ago...Shaz).

“ I have known Johnnie (John) since my childhood in Carol City, Florida in the 70's. Me and my cousin, late brother, and many other friends would "hang out" with him and his sister "Barbara". We stayed in touch on Facebook and he was promising a visit on his motorcycle to see me and my cousin Sharon, meet my family, etc. Well that moment never came. I cannot even express the shock and sadness I feel and want to wish my deepest sympathy to his wife and family... He was a great being.

“ I remember the first time I met John, the thing that stood out the most was how loud he was...but that was just a part of him....he has such a kind heart and was always a friend to everyone. RIP.....Malinda

I am very saddened to hear this news about Johnnie. I met Johnnie when he was about 14 years old and walking on stilts that he made. We use to all hang out at his house on the corner in Carol City. He was one of my oldest and dearest friends and I would always call him "cousin". I will truly miss him but I know he is safe in the arms of our Lord now. He was doing what he loved and we will see each other again at the family reunion. Miss you Johnnie!
