“ *When me and you would take truck rides to the gas station every week.. best times. All the motorcycle rides together,, i have our last ride on video not knowing it'd be the last.. ill post it on here when i get my media back ..*

loved watching you play the drums ... loved the glasses and cowboy hats you wore, , the long trench coat , the love you had for me and my grandma was felt deeply. You were the perfect man, father, grandfather, husband for my grandpa, human. You left an everlasting impact on me, a huge piece of me is forever gone now. Until i see you again, in heaven,, for now you live thru me.
