Simpsonville – Jon Gordon Jacobsen, 52, of Simpsonville, passed away Saturday, September 11, 2021. Jon was the son of the late Gordon and Martha Frank Jacobsen of Lyman, SC.

Jon was born on October 21, 1968, in Virginia. He graduated from James F. Byrnes High School in 1986. Upon graduation, Jon proudly served in the US Navy. He completed bootcamp in San Diego, CA and served on US aircraft carriers during his enlistment. He also attended the University of South Carolina before settling down in the Simpsonville area. “ Just found out about this. I worked with Jon in the Nuvox and New South merger days in the NOC. We hit it off immediately. We had a lot of laughs and even hung out a time or two. He had the biggest movie collection ever and was a Tequila expert and taught me a lot about aged and fine tequila. Nice and very humble cool guy. Going to cherish those memories. Rest in peace my friend!

“ Jon was an exceptional person and friend met him when my job transferred me here from Delaware, he introduced me to Byrnes football and into the very home I reside now. Jon made the best homemade chili and we went to many sport ventures together. He will be greatly missed. One of a kind friend

“ I worked with Jon for several years in the NUVOX era. We also had a passing acquaintance from our High School days. This is very sad news. He was always an all-around good guy. He will be missed.

“ *Jon was a great friend and good man. We had a lot of good times and I'm sure a piece of his spirit will be hanging out on the porch at the Heckman Beach Cottage in Pine Knoll Shores, NC. We miss you.*
