“ I am so, so sorry to have not known that my cousin passed away, but learned of it on visitation night for my 24-year-old son, Adrian Turner, who had been killed at boot camp. I just hate how family fail to keep up with one another, and I feel it's my fault. May God be with all his family. Love, Felix 'Jim' Turner, III

“ I met Butch many years ago as one of a group of five headed to Fort Sill Oklahoma for basic training. He was a big fella with a big personality and it didn't take but a few minutes to realize that he was going to be someone you could count on when needed. I would run into him now and then after we left Basic and would laugh at some of the stuff that happened during the three months we were in Oklahoma. My prayers go out to all of the family.

Go rest high on that mountain
Son your work on earth is done
Go to Heaven a shoutin
Love for the Father and the Son
