“ I am so sorry to learn of Judy's passing. She and I worked together, many years ago, at Raycord. I have very fond memories of the time we shared there. She was a sweet person, whom I have thought of often throughout the years. I so wish we had kept in touch. I send my sincere condolences to all her family and friends.

“ Judy was great to work with. She was the only person hired by e-mail. The registrars of ROC Registration sent an e-mail to the then acting manager professing that she would be a true asset to our department. And she was. She is truly missed.

Patrice Jackson*
