“ We remember our best friend, June, as the most caring person we knew. June was always ready to help those in need. June and Tom invited us to live with them when our house was destroyed in the Florida hurricane in 2004. We also lived with them when our new home was not finished for 4 months in Greer. We also had foreign exchange students at the same time in Florida. Bob and I will miss our friendship with June. From Lois and Bob Struck
