

K-9 Athena

April 30, 2020

Living Waters Funeral Home and Crematory is honored to serve our Law Enforcement agencies and their K-9 officers. Our pet cremation service, "All God's Creatures" handled the final disposition of K-9 Athena, who was an 11 year old German Shepherd and a 3rd generation service dog from her bloodline who passed away peacefully on April 30, 2020.

Athena worked as a police dog for Inman Police Department for 6 years before retiring from service in 2016 due to medical issues. She held 2 National Narcotic Detection certifications and was extensively trained in narcotic detection, tracking, and handler protection. Athena is responsible for hundreds of drug and cash seizures and felony arrests.

She quickly jumped into the role as pet with LT. Hall and his family after retirement and will be greatly missed.

She is survived by her loving handler LT. Brian Hall and his three children; Carsten Hall, Briley Hall, and Malachi Hall; as well as her god-parents; Doug and Stacey Jones.
