Kathy and I worked together at SCC for 40 years. She was my first friend when I started there in 1972. We worked in different departments later but still considered her to be a dear friend. Kathy will be missed so much. My prayers are with her family.

I remember being at Kathy's retirement party and she had all her family there. I didn't work closely with her - but whenever I would see her she was always smiling and happy! Prayers to the family.
