“ *My dear beautiful sweet cousin you will never know how much you will be missed. It seemed like a dream when they told me you were gone. I thought of all the times we spent together growing up. I wouldn't trade one memory. I know that you have finally found peace, love and happiness. You and Brandon are with daddy, Ruby and the rest of the loved ones that have gone one before us. Know that your memory will always be in the hearts of those who love you.*
