“ *She was the most beautiful, loving, committed, heartfelt, sweet, caring and fun woman I have ever met. She was a light in the darkness. Our time in Japan were the best I’ve ever had. I’m so sorry for her family. I know it’s a tremendous loss. My love to Leila .*

“ *I went to high school with Laura at Yokota High School, Yokota Air Base Japan. Laura and I reconnected years ago through Facebook and phone conversations. She was fun, an encourager, caring and loving. She talked often about the love she had for her husband, children and grandchildren. I could tell she was family oriented and she was most proud of her family and home life. You all are in my thoughts and prayers during this season. I will miss Laura.*
