“ My grandma Graham was a very special lady with a lot of spirit and charm. She always had a saying for things in life that would make you have a second thought about what she said and wisdom like no other. She loved caring for little children in the nursery at church as well as her own children and grandchildren. She loved country music and to go dancing at the Honky Tonk when she could. Family was always special to her and she would be there for you any way that she could. I will miss you dearly Grandma but you will always remain a big part of my heart. Kiss Mom and the others in Heaven for us until we get there.
