“ *To the family of Leona, I got to know Leona when my daughter was a student at Charles Lea and Leona was her bus driver. She was such a wonderful lady and always cared so much about those children. I never had to worry knowing my child was leaving Spartanburg on a bus with Leona. It was not a difficult time for me because I knew she would take care of my daughter. My daughter and I love her dearly. We will pray for you all for I know her passing is a great loss to all of you. May God bless you in this difficult time. With love and much compassion.
