“ My husband and I met Buck thru his friend Robbie. Buck came to our home in Duncan to give an estimate. We enjoyed his visit so much! He sat on porch with us laughing, talking, telling stories, telling us about himself and his family. He clearly loved you all and his friends very much. I am so sad this accident happen. We continue to pray for God to hold you in his Hands today and the time ahead. Love, John and Shirley Clopton

“ *So sorry Buck had to leave this earth so soon. He was a friend to everyone. We met at the auction and he was always there to help. My children considered him as family,he would push my daughter in her wheel chair as my wife and I carried the items we bought at the auction. I had him come to our house to cut down a huge tree,and he also came over to help us with a large screen TV we purchased at Pops Auction. I haven't seen him in a while because we moved . All my children still remember him and miss him . GOD has taken a honorable man to be in heaven. All my family will never forget him. May he rest in peace in Heaven. I am so sorry for all his relatives also, Bless all of you in this time of sorrow.  
Sincerely : Carl, Cyndie and family*
