“ Dan and I are so sorry for your loss. Please know you are in our thoughts and prayers. So many memories and good times we shared camping and at Hancock parties. I don't think any of us will forget Linda making the gin and lemonade for us and using the entire bottle instead of half.. We had a great time until we passed out. Linda and Abe are probably sitting around a camp fire waiting for us. Love, Dan & Lorie

“ I had the pleasure of meeting Linda about 8 years ago. Within a few weeks, I felt that I had gained a new family. She just always made me feel special and that everything about me was important to her. Even our love for the Pittsburgh Steelers was a common passion. I cannot say enough about this lady and how she gave of herself to everyone and it was always about them not herself. I know you are watching over us all and smiling at all the wonderful memories we made together. Love you Linda. You even bought Dallas Cowboy gifts for Dustin. Only a true friend could do that:) You will always be with me and for that I am so thankful!
