“ You were cremated today Momma. I know it's just your shell. But they were the arms that hugged me. The face that smiled at me. The hands that played with me. The lips that kissed me good night. I'm sorry it took so long. I did the best I could. I miss you like crazy! I'm sad everyday. I don't know how you survived Grandmas death. I feel empty really.

“ I miss you Mom. I'm having a real hard time with this. I wish I could have saw you one more time. Have you hug me one more time. Hear you say I love you one more time. This was our time. And it was cut short. How am I supposed to live the rest of my days without you in them? No one told me it was going to hurt this bad. And even if they did, I still wouldn't have been prepared. I love you Momma. More than you could have ever known.

“ My Mom was such a clumsy woman. She was always hurting herself. But the stories of how she hurt herself were hilarious! I will miss her everyday for the rest of my life.
