“ *I was blessed to have met Linda working under her at DC trucking. She took me under her wing not only at work but in my personal life. I have such great memories working with She and Carmon (the guys too). My heart goes out to the Family. May the Lord wrap you in his arms and help you thru these upsetting days ahead.*

When I think of Linda, I smile. I hear her singing and I smile. Playing trivia with Tommy, Betty Jo, Nina , Don and Linda and Mac on Wednesdays was such fun. RIP sweet lady.
