“ I didn't know her that well, but bought some jewelry from her online. She had a bubbly personality and was always nice to me. It wasn't long after we were in contact with each other that I found out her grandson, Chandler, was married to my second cousin! It's amazing that I live in Texas and I met her online. What a small world. I am sorry for your loss!

“ Lisa was a very special person to me. I called her ol bird! we would laugh so hard together . I called her this because of everything she had been thru over the years. She was a tough ol bird!! She wanted me to share with everyone that story. We sold lots of jewelry together and shared many laughs and tears. My husband Mark and I will keep Ricky and the family in our prayers. I love and miss you Lisa!

“ I’m spotting for my dad, Dennis Hughes. He she meant a lot to him and their relationship with horses and he used to jeep his horses on Chandler Road. He got to see her just before she left us and she still had a sense of humor. She will be missed. She was very loved.
