“Mrs Dicey was literally a best friend to a young, awkward and shy girl who adored and admired her like none other. My favorite memories will always be the many days I spent at Lake Hartwell running up the path in the woods to just to “see what Mrs Dicey was up to.” In my eyes, she could do anything she set her mind to. My parents always knew where to find me when we were at our lake home...listening intently and trying to keep up with the lady next door...Mrs Dicey. Bob, Miriam, and Charlie; my thoughts and prayers are with you and your families. I loved your mom and every minute I was able to spend with her..a special lady indeed.

“I knew Louise Dicey since before I was a teenager. She was a neighbor and friend, as were her children. She took time to teach me how to sew, and I enjoyed looking and helping with her many plants, she had a green thumb! She was a strong lady and I don't think she feared anything. As teens her kids and I would take long walks around the neighborhood, other kids would often join in the walks. We especially loved the walks in the snow, knowing that she would be making warm cocoa for us when we would get too cold to stay outside any longer! She will be missed by all who knew her. My love and condolences go out to Miriam, Charley and Bob and to all her family.
