“ I met Tanner in Abilene our junior year of college. We both took similar classes and helped each other with our senior projects to graduate as well as go fishing and hunting. I'll always remember our adventures and experiences, truly a great friend that I considered family. You'll live on I'm my heart bud.

“ I feel blessed to have known Tanner. He had such a sweet spirit. I will cherish the memories of dancing with him at The Peddler, hugging him every time I saw him and attending his baptism at New Spring Church. Praying for all his friends and family as they navigate through the grief while celebrating Tanner's life here on this earth and his eternal homecoming. ❤️

*My dear Tanner, no words can describe how I feel. You left way too soon. Tanner helped me in so many ways to heal through the deaths of my parents, a divorce, and dog Bandit's death. He was my rock, friend, helper, hunting buddy. Running on empty at this moment. Tanner, I love you and will miss you dearly. You will always be in my heart.*

*I will always remember my only nephew Tanner as being loving, having a sweet disposition and the most mannerly of people on earth. You were dearly loved by all and will forever be missed. I know that you have been welcomed into heaven and are with God and my parents. Until I see you again in God's Grace, much love.*

*It's hard for me to believe that Tanner has passed away... When our paths crossed, I always enjoyed talking to Tanner. He had the natural ability to connect with all ages, and we both shared a passion for hunting, and enjoying the outdoors... I found Tanner to be kind and compassionate to everyone he met, and I will miss him... RIP Tanner!*

*Dear sweet Tanner. We are heart broken to hear the news of you leaving this earth way too soon. I remember your moms pregnancy, helping with your baby shower, and your parents absolute joy at your arrival into their world. The times JR and I babysat you and Shelby, miniature golf, movies and just hanging out. The times we all hung out together with the McCays. You grew up into such a handsome young man with a wonderful politeness and southern charm. Sending our love and prayers for comfort to all your family but especially to Laura, Shof and Shelby.*

*Love Suzanne & JR xoxo*

*Tanner and Taylor, Taylor and Tanner what a two some. Not just friends but like brothers to each other. You always wanted to hang out together, your house and the ranch were so much more fun, where boys could be boys. Climbing tree's, riding mini bike's (Taylor falling into the cactus), shooting guns, a few bumps and bruises. We could hardly get you to come in after dark. It makes since you love the outdoors as an adult...it was where you found peace and solace. Your smile was infectious...eyes that showed joy...you couldn't help but smile back. Our hearts are heavy now that you are gone but knowing that you enjoyed life, your friends and family bring us peace. Blessings forever and always as we reflect on your LOVE OF LIFE.*

*Laura, Shof and Shelby forever in our hearts,  
Love you guys always and forever,  
David and Julie*
