“ Sweet sweet Madelynn Hope gaga loves you more than words can say. It was an honor to be in your presence although it was brief I will cherish those moments forever. The sound of your name and memories of getting to hold an angel in my hands will forever put a smile in my heart and on my face. Fly with the angels my beautiful Madelynn Hope until we meet again.

“ Cody and Carla . A mother always wants to protect her children from all harm and pain. If I could remove this hurt from your hearts i would take every last drop to spare you the pain. . Although she was born into this world silent she left many memories to be cherished. We can gather some comfort knowing we will see her again one day in Heaven as long as we are saved. With the Grace of God we will get through this as a family. Love yall and my babies beyond words. May the Lord bless and keep you all
