“ We rarely ever saw her, and Juju was scared of her at one point, but she was a great well great grandmother. When she moved down south, I was excited because we could visit her more. Then she went to the hospital. We were down at the campground when we found out she was gone. I wish I could've gone to the funeral but school was starting up and the funeral was in New Jersey. We are going to miss you Nanny, keep Uncle Drew and Gunner company, love you.
