“ Marian was great friend and co-worker. She had a wild sense of humor about her and she and I would pick at each other daily at work. She made two little signs that are to this day still on my ID badge. One says "Bad to the Bone" the other days "But Crazy Sweet". It has not been the same at work since she retired. Marian will be truly missed and she will always be with us in our hearts. - Cherri Cuevas-

“ *My mom was one in a million. Her sense of humor and her smile could brighten a room. She was not only my mom, but my best friend always there for me. Her compassion for the people who she cared for was second to none. I see her when I look in the mirror and can only be half the woman she was. She will forever be in my heart and the memories we share are what will hold us up. Rest In peace Mom. You have taken a piece of my heart with you and I will miss us. Your loving daughter*
