“ I am in two of the three pictures featuring the great crew of the Habitat for Humanity Women Builds. It was such a memorable time building houses under the tutelage of Marilyn. Believe me, you wanted to keep her happy! Carrying trusses may have been the hardest "lift" during those days but we all pitched in and made it happen. I miss those days and I miss Marilyn. Rest In Peace, Nikki Grumbine.

“ Marilyn was a wonderful person, we both worked together at Benteler for more than 2 years and developed a great connection. I admired her professionalism, hard work, dedication for her family. We shared countless stories about our family trips and we really had wonderful moments when I visited the facility. My deepest condolences to her family., So sorry for your loss. In my prayers!

We loved Marilyn. She was instrumental with the "Crew" from Women Build. To her children and grands, she loved you so much and talked about you with great pride. She will be sorely missed.

“ Tracy,

*We were so sad to hear of Marilyn's passing. There are certain people who come into your life and you remain friends with them for the rest of their life or your life. Marilyn was one those people. She became one of our best friends when we moved to Greenville in 1996 and we remained friends even after we moved back to the Cincinnati area.*

*Marilyn was a beautiful soul and will be greatly missed.*

*Our thoughts and prayers are with your family.*
