“ Marilyn used to be our neighbor next door, in Sennett, NY. Several kids in our area used to play softball, as well as many other games with her, - we grew up together. We all loved her! She came from a wonderful family, and then both she and Dalton raised a wonderful family of their own.
My kind thoughts and prayers go out to the entire family.

We were so sad to hear of Marilyn's going home; but, having known her for many, many years, we know that heaven truly is sweeter. In remembering her, her quiet sweet spirit and her soft voice are first to come to mind. She's been missed at church for many months, but now she is safe in the arms of the Christ she loved. Please know that we will be praying for Dalton and her family in the coming days.
