“ *Keith, Jim and Scott, it was always a pleasure to pick Martha up and take her to carving meetings. We loved being around her. I have also lost a dear friend. She was so proud of the men that you have become. I watched her work with the new carvers that came into carving, Martha would work with them and teach them. It was fun to watch the people learning. We will miss the wonderful cakes that she brought to the meetings for sure. Rest In Peace Martha you can lay your tools down now.*
